Uttarakhand Public School Class 12 84%	2020

Skills

Javascript
React
Python
Html & CSS
SQL
Java

Projects

Social Media Website

React | Tailwind CSS | Appwrite | JavaScript

Developed a personality-driven social media platform enabling users to share posts ("vibes"), stories, and connect based on MBTI types. Implemented real-time feed, profile customization, follow/unfollow system, and comment/like features using Appwrite's backend services.

Ecommerce project

This e-commerce platform was designed to provide a seamless shopping experience for users, integrating both frontend and backend functionalities. Built with Django, the backend efficiently manages product listings, user accounts, orders, and a shopping cart. HTML, CSS, and JavaScript power the frontend, ensuring a responsive and visually appealing interface.

Achievements & Awards

Python Certification (Guvi)
HTML & CSS (UDEMY)
Advance Excel Certification (Elearnsmarket)
Data Science Certification (IMS Ghaziabad)
